Please contact Regions as soon as you can, if you think your statement is wrong or if you need more information about a transfer listed on your statement. We must hear from you no later than sixty (60) days after we sent the FIRST statement on which the problem or error appeared.

- (1) Tell us your name and account number.
- (2) Describe the error or the transfer you are unsure about and explain as clearly as you can why you believe it is an error or why you need more information.
- (3) Tell us the dollar amount of the suspected error.

If you tell us verbally, we may require that you send us your complaint or question in writing within ten (10) business days.

We will determine whether an error occurred within ten (10) business days after we hear from you and will correct any error promptly. If we need more time, however, we may take up to forty-five (45) days to investigate your complaint or question (ninety (90) days for POS transactions or for transfers initiated outside of the United States). New Accounts- If an alleged error occurred within thirty (30) days after your first deposit to your account was made, we may have up to ninety (90) days to investigate your complaint, provided we credit your account within twenty (20) business days for the amount you think is in error. If we decide there was no error, we will send you a written explanation within three (3) business days after we finish our investigation. You may ask for copies of the documents that we used in our investigation.
